<b>Before the event</b>	<p>Scheduling has been spaced out more than usual so there is little or no overlap.</p> <p>Entrants and spectators are encouraged to sit outside and continue to act responsibly and socially distance as much as possible.</p> <p>A COVID-19 document has been distributed to all competitors and will also be displayed at the club throughout the event.</p> <p>Hand sanitiser is at various points throughout the Club. On entering the Club competitors have been asked to use the sanitiser provided.</p> <p>Both competitors and spectators have been asked to stay away from the Club should they display any symptoms of COVID-19.</p>		
<b>During the event</b>	<p>The document asks all entrants and spectators to spend as little time as possible inside and also advises them to wear masks if they are able to do so. They are also encouraged not to crowd together even in adverse weather.</p> <p>The Club has purchased a stock of facemasks for people who do not have them and also umbrellas to hand out if it rains. This should encourage people to remain outside.</p> <p>There should be no shared equipment other than balls. Everybody is encouraged to use hand sanitiser at every availability. Hand washing facilities will be regularly checked to ensure there is enough stock of anti-bacterial soap and disposable hand towels.</p>		
<b>After the event</b>	<p>Everybody is encouraged to leave via the gate rather than the front entrance to avoid a bottle neck.</p> <p>Staff will be onsite at all times to make sure there are not any extremely large gatherings and people are staying 'covid safe'</p>
